OUR COMPANY

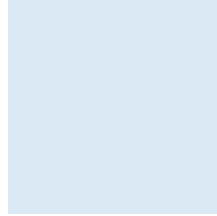

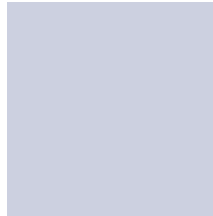

First Quality C. Packaging Inc. is a leading independent full service manufacturer of custom and generic corrugated and paperboard boxes and paper bags, specializing in the food service industry.

Since our inception in 1970, First Quality has established an impressive reputation for the manufacture and supply of first quality, custom corrugated packaging. First Quality has remained committed to excellence in customer service and has continually surpassed industry standards for high quality innovative packaging that exceeds customers' expectations and achieves desired results.

Our goal is to be the preferred supplier through our commitment to quality and continuous improvement.

Whether your company needs 500 or 100,000 boxes, First Quality has the capability and experience to tackle the most complex packaging jobs. Our comprehensive manufacturing office and warehousing facilities maintain a broad inventory of corrugated and paper packaging products, giving us the flexibility to respond rapidly to customer requirements and fulfill orders in the shortest possible time.

We believe in cultivating strong, long-term relationships with each of our clients and in delivering superior customer service while ensuring fulfillment and full satisfaction.

PRESENTATION IS EVERYTHING!

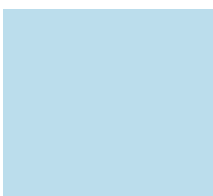

At First Quality, we understand your company's first impression begins with your products' packaging. We believe that your packaging says as much about your product as the product itself.

Our specialty packaging capabilities provide a custom solution to your toughest packaging request. From concept to finished product, we will assist you in developing innovative packaging that will attract today's consumer.

To build your business, you must differentiate your product from your competitors. One of the most powerful and cost-effective ways of doing that is with high-impact **First Quality** Custom Packaging.

Today high quality graphics and innovative designs play an integral role in the marketing and sales of consumer products. First Quality is proud of the role we have played in the marketplace.
